

MACHINERY LIST / INVENTORY OVERVIEW September 2026

Inv. No.	Machine Description / Model	CT Designation	Date	Asking Price (net)	Info	Notes
21001	Steppex Sprint 3NR 100 Eltron III, Serial No. APRK, Multi-needle lockstitch quilting machine	Quilting machine 11	01.06.2008	€9,000.00	Needs optimization	Multi-needle lockstitch system. Noted in the list as "needs optimization" – therefore set at the lower price range or with a minor discount for adjustment work.
21007	Conversion kit to Eltron 98 complete (for Inv. No. 21001)	For quilting machine 11	01.06.2008	-	-	-
21008	Steppex Sprint 3NR 100 Eltron III, Serial No. VVRU, Multi-needle lockstitch quilting machine	Quilting machine 8	01.06.2008	€12,000.00	-	Fully functional multi-needle lockstitch system including Eltron III upgrade. Good main unit for high production volumes.
21003	Extension / Upgrade Eltron III (= Inv. No. 21008)	For quilting machine 8	01.06.2008	-	-	-
28003	Steppex Diplomat S 86N Eltron 9.8, Serial No.: 1122385, Multi-needle double chain stitch quilting machine Jenny	Quilting machine 9	18.04.2012	€18,000.00	-	Multi-needle double chain stitch system. Technically state-of-the-art thanks to the Eltron SLM electronic control retrofitted in 2016, making it very attractive for large quilting operations.
4402016001	Electronic control Eltron SLM for Steppex machine	For quilting machine 9	12.05.2016	-	-	-

4402016002	Single-needle automatic quilting machine Mammut P2A 240	Single-needle 240 cm	12.12.2016	€18,000.00	-	Flexible 2-head automatic quilting machine with a 240 cm working width. High demand for special patterns and high-quality mattress panels.
21031	GSG GK 14 SP, Semi-automatic panel cutter	-	01.06.2008	€6,000.00	-	Semi-automatic cutting system for foam and wadding panels; solid supplementary unit for processing operations.
21105	Anderson multi-blade slitting machine	-	01.06.2008	€4,000.00	-	Specialized in slitting wide quilted roll goods to border sizes. Essential productivity factor for mattress manufacturers.
21028	Dürkopp Adler 221-76 FA2 RAP-73-2, Long-arm sewing machine 750 mm	-	01.06.2008	€3,000.00	-	Highly sought-after heavy-duty long-arm machine. High resale value on the used market due to the large clearance space for bulky textiles.
21015	JUKI LG 158, Long-arm sewing machine	-	01.06.2008	€1,000.00	Needs optimization	Extremely robust Japanese counterpart for heavy-duty material processing. Highly valued for its durability and puncture power.
21047	Liersch panel overedging line, Pegasus EXT-MA, Type 535 K 5x7	-	01.06.2008	€5,800.00	-	Special large-scale overedging station for trimming and finishing complete mattress panels and cores.
21060	BAS/101, Automatic border serging machine Beckmann	-	01.06.2008	€4,800.00	-	Special automatic machine for mattress border processing.

21061	BAS/101, Automatic border serging machine Beckmann	-	01.06.2008	€4,800.00	-	Identical second machine to Inv. No. 21060; ideal to sell as a double package or individually to border manufacturers.
21126	B&F. Automatic zipper sewing machine 860-2NT (for Inv. 21041) Dürkopp-Adler 477-170-GE, Juki MH-380	-	01.06.2008	€6,000.00	-	Automatic zipper attachment station in combination with the Juki twin-needle chain stitch machine. Offers high savings potential in cover manufacturing.
-	15MA-88 Professional border marking machine Beckmann	-	12.12.2016	€5,800.00	-	Automatic marking and punching station.
21043	Pegasus EXT 3216 H05, Type 535 K 5x7, Overlock / Serging machine	-	01.06.2008	€2,000.00	-	5-thread overlock/serging machine; standard workhorse for overedging seams.
21046	Pegasus EXT 3216 H05, Type 535 K 5x7, Overlock / Serging machine	-	01.06.2008	€2,000.00	-	5-thread overlock/serging machine; standard workhorse for overedging seams.
21048	Pegasus EXT 3216 H05, Type 535 K 5x5, Overlock / Serging machine	-	01.06.2008	€2,000.00	-	5-thread overlock/serging machine; standard workhorse for overedging seams.
21049	Pegasus EXT 3216 H05, Type 535 K 5x5, Overlock / Serging machine	-	01.06.2008	€2,000.00	-	5-thread overlock/serging machine; standard workhorse for overedging seams.
21068	Yamato, Type AZF 8600G C7DA,	-	01.06.2008	€3,000.00	-	Reliable Japanese high-performance overlock machine in ready-to-operate

Serial No. 12523, Serging machine						condition.
21069	Yamato, Type AZF 8600G C7DA, Serial No. 12542, Serging machine	-	01.06.2008	€3,000.00	Needs optimization	Noted in the list as "n defective?". Best offered as a spare parts donor or sold with a discount upon collection.
21050	Dürkopp Adler 767-AE-73, Binding sewing machine	-	01.06.2008	€2,500.00	-	Second machine of this type in the fleet; universally applicable in upholstery and mattress manufacturing.
21030	Dürkopp Adler 767-AE-73, Serial No. 552984, Binding sewing machine	-	01.06.2008	€2,000.00	-	Industry standard with triple feed for binding edges. Very good resale opportunities.
21056	Dürkopp Adler 767-LG-73, Binding sewing machine	-	01.06.2008	€2,500.00	-	Universal flatbed single-needle machine with triple feed for medium to heavy fabrics.
21057	Dürkopp Adler 767-LG-73, Binding sewing machine	-	01.06.2008	€2,500.00	-	Identical parallel model to Inv. No. 21056.
21051	Dürkopp Adler 370-WT-2122, Sewing machine	-	01.06.2008	€1,500.00	-	Single-needle machine with roller feed for crease-free sewing of heavy or slippery fabrics.
21123	Dürkopp Adler 207M / 5, Sewing machine	-	01.06.2008	€1,250.00	-	Older universal sewing machine; solid standard workstation.
21124	Dürkopp Adler 196-2, Sewing machine	-	01.06.2008	€500.00	-	Mechanical classic for heavy fabrics with robust technology.

21127	Dürkopp Adler 467-AE-73c36 Kobold KHK D 25, Binding sewing machine KAPE	-	01.06.2008	€2,000.00	-	Special version/custom design by KAPE for automated production steps; to be offered targetedly for special applications.
21041	Juki MOJ 2516 (DICHCS) Serging machine	-	01.06.2008	€1,000.00	Needs optimization	Twin-needle chain stitch machine; functionally belongs to the automatic zipper sewing machine (21126).
S-M-S	NK 201 Spühl Tape Edge Machine with Adler 69	-	01.06.2008	€3,500.00	-	Tape edge machine with electrical height adjustment.
